

Digital Initiatives for Bridging the Academic Gap during the Pandemic

Though Pandemic has curbed many academic activities, ANJA College successfully carried out many innovative digital initiatives to bridge academic gap for staffs and students.

Online Programmes organized by the college and attended by Staffs:

- Orientation/Refresher Courses/Faculty Development Programmes/Induction Programmes/Webinars/ Skill Development Programmes for enhancing professional skills of teachers
- Implementation of OBE/NEP for curriculum development and bring about innovations in all academic spheres
- Programmes organized under PARAMARSH scheme for 6 mentee institutions

Online Programmes organized for Students:

- Purchased Premium versions of G-Suite, ZOOM accounts
- Creating WhatsApp Groups, Google Classrooms for conducting online classes and sharing of information
- Online Assessments : Tests, Quizzes, Assignments, Seminars, *viva-voce* are conducted through online mode to monitor the effectiveness of teaching-learning process
- Online Association Meetings & Competitions to hone students in extra-curricular and co-curricular skills
- Peer Teaching Programmes / Discussion forums to discuss innovative topics for higher studies/research avenues as well as for entrepreneurship opportunities
- Alumni Interaction Meetings to discuss key topics and guidance in career prospects
- Internship Training Programmes for providing hands-on training to students
- Career-Guidance/Consultancy Programmes
- Extension Activities to bridge academic gap by teaching needy school students
- Uploading lectures through ANJAC Digital YouTube Channel
