

Core Values

- ❖ Focussing on the holistic development of students in consonance with the dynamics of local and global needs
- ❖ Inculcating human values like truth, compassion, empathy, universal brotherhood perseverance and ethics to supplement the core competencies of the learners
- ❖ Enhancing the knowledge and skills of the staff through Faculty Development Programmes
- ❖ Promoting the research ethos among the students and faculty members to cater the needs of the society
- ❖ Providing care and autonomy to ensure people's dignity and respect
- ❖ Empowering the students by offering training on 'Entrepreneurship Skills' to emerge as 'job providers' rather than job seekers
